

COMMUNICATION-BA NEW MEDIA and COMMUNICATION TECHNOLOGY (COT)

2019-2020 Academic Year

Revised: 9/2019

This program leads to a Bachelor of Arts degree.
Requirements for students admitted to the major SU12 and later.
Eleven (11) COMM courses totaling at least 34 credits are required.
A grade of C– or better is required in all courses in the major.
Maintaining a 2.0 GPA in the major is required after admission to the program.

Program Area Description

New Media and Communication Technology explores the way technology is transforming the field of communication. This interdisciplinary major integrates course work from communication, computer science, design, psychology, and business to help you understand interactive technology, evaluate the user experience, and communicate with users from varying levels of technical proficiency. Students in this major choose one of two tracks to pursue: Human-Computer Interaction or Communication Technology Management.

The Human-Computer Interaction track focuses on how people use technology and the social implications of new technologies. The Communication Technology Management track teaches you how to help others use technology effectively in the workplace.

Required Pre-Major courses: 6 credit hours (these courses do not count in the major). All students must complete two pre-major courses. **A grade of C- or better is required in both courses** for a Major & Specialization Application to be considered. Admission is competitive and an online application is required. Please see comm.osu.edu for application deadlines.
