

Graham N. Dixon

Associate Professor of Communication
School of Communication
The Ohio State University
Derby Hall 3025A
dixon.716@osu.edu

EDUCATION

Cornell University

2014 Ph.D. – Communication

2013 M.S. – Communication

University of Texas at Austin

2008 B.A. – Anthropology with Honors

ACADEMIC APPOINTMENTS

- 2022 – Present: Associate Professor
School of Communication
The Ohio State University
- 2017 – 2022: Assistant Professor of Communication
School of Communication
The Ohio State University
- 2014 – 2017: Assistant Professor of Communication
The Edward R. Murrow College of Communication
Washington State University

AWARDS & HONORS

- 2018 Top Paper Award, International Communication Association Annual Meeting, Environmental Communication Division.
- 2014 Top Student Paper Award, National Communication Association Annual meeting, Chicago, Illinois, Mass Communication Division.
- 2013 Top 3 Paper Award, Association for Education in Journalism and Mass Communication Annual meeting, Washington DC, Communicating Science, Health, Environment, and Risk Division. (Student co-author)

2012 Eason Prize, Association for Education in Journalism and Mass Communication Annual meeting, Chicago, Ill. Communicating Science, Health, Environment, and Risk Division.

FUNDED GRANTS

- National Science Foundation #2031705 (August 1, 2020 – July 31, 2021). Director of Decision, Risk, and Management Science and Secure and Trustworthy Cyberspace. *RAPID: Quantifying the Downstream Effects of COVID-19 Online Health Information on Risk Perceptions, Decision Making, Policy Preferences, and Preventive Health*

Behaviors. Principal Investigator: Nisbet, E.C, Co-PIs: **Dixon, G.**, Garrett, R.K., Wegener, D., Bond, R., Hovick, S. Funded for **\$199, 603**

- National Institutes of Health, GR121384, U54 grant. (2020 – 2025). Ohio State Wexner Medical School, CATALYST, Center to Stop Covid. Co-Investigator: **Dixon, G.** Funded for \$10,000,000
- Ohio State University Collaborative Grant Initiative. (2019-2020). *Pluralistic ignorance in gun policy: How misperceived opinion climates and party cues impede action*. Principal Investigator: **Dixon, G.**, Co-PIs: Garrett, R. K, Bushman, B. Funded for **\$38,750**
- Washington State University New Faculty Seed Grant. (2016-2018). *Overcoming climate change skepticism through tailored consensus messaging*. Principal Investigator: **Dixon, G.** Funded for **\$4,500.**
- National Science Foundation #1260872 (2013-2014). *Doctoral Dissertation Research in Decision, Risk, and Management Sciences: A false balance? Affect, exemplars, and media coverage of controversial risk*. Principal Investigator: McComas, K., Co-PI: **Dixon, G.** Funded for **\$15,097.**

EDITED BOOK CHAPTERS

Dixon, G.N. & Ma. Y*. (2017). Communicating climate change across workplace and organizational contexts. In Nisbet, M. (Eds.), *Oxford Research Encyclopedia of Climate Science* Oxford University Press, Oxford, United Kingdom. CONFERENCE PRESENTATIONS

Dixon, G. (2022). Pluralistic Ignorance in American Gun Policy. Abstract presented at the *Society for Experimental Social Psychology Annual Meeting*

Nisbet, E., Lokmanoglu, A., Bond, R., **Dixon, G.**, Garrett, K., Hovick, S., Na, K., & Wegener, D. (2022). Of Two Minds? How Consistency and Belonging Bias the Need for Evidence about COVID-19. Paper presented at the *National Communication Association Annual Meeting*.

Hubner, A. & **Dixon, G.** (2022). Does the label matter? Examining the effects of “vaccine passport” versus “vaccine verification” on subsequent audience frames. Paper presented at the *National Communication Association Annual Meeting*.

Luong, K., Moyer-Guse, E., & **Dixon, G.** (2022). Building a Resonant Moral Story: The Effect of Moral Value Targeting in Narrative Exemplars on Climate Change Mitigation. Paper presented at the *International Communication Association Annual Meeting*.

- Hubner, A.; **Dixon, G.** (2021). The framing power of Twitter: Examining whether individual tweets are reframing news media frames. *Association for Education in Journalism and Mass Communication*. Virtual Presentation.
- Bullock, O., Shulman, H., & **Dixon, G.** (2020) Improving message engagement and persuasion for dissonant information: Processing fluency reduces motivated resistance to persuasion. Paper presented at *National Communication Association* annual meeting, virtual format.
- Dixon, G.**, Garrett, K., Susmann, M., & Bushman B. (2020). Misperceived opinion climates on gun policy: How corrective information can prompt congruence between private views and public actions. Paper accepted at the International Communication Association annual meeting, could not attend and present due to COVID-19.
- Dixon, G.** & Hubner, A. (2020). The effects of hedging in scientific press releases on news coverage and social media discussions. Paper accepted at the International Communication Association annual meeting, could not attend and present due to COVID-19.
- Hubner, A. & **Dixon, G.** (2020). The science of science communication: Reviewing the field of science communication through an author-chosen keyword co-occurrence network. Paper accepted at the International Communication Association annual meeting, could not attend and present due to COVID-19.
- Dixon, G.** & Hubner, A. (2019). Partisan Resistance to the Scientific Community: The Backfiring Effect of Illustrating One's Political Biases toward Science. Presented at the *International Communication Association* annual meeting, Washington D.C.
- McKnight, J. & **Dixon, G.** (2019). The silencing effects of anti-vaccine online comments. Poster presented at *AEJMC annual conference*, Toronto, CA.
- Shulman, H. C., **Dixon, G.**, Bullock, O. M., Colón Amill, D.* (2019). The effects of jargon on processing fluency and self-perceptions: Strengthening framing theory with metacognition. Paper presented at *National Communication Association* annual meeting, Baltimore, MD.
- Bullock, O. M. *, Colón Amill, D. *, Shulman, H. C., & **Dixon, G. N.** (2019). Jargon as a barrier to effective science communication: Evidence from metacognition. Paper presented at *National Communication Association* annual meeting, Baltimore, MD.
- Dixon, G.** (2019). Public skepticism of autonomous vehicles: Complex messaging effects. Symposium: The Perception of Scientific Uncertainty and Risk/Technology Acceptance. Presented at *Society for Risk Analysis* annual meeting, Arlington, VA.
- Besley J. & **Dixon, G.** (2018). How different types of trust may shape support of genetically engineered food. *Abstract presented at Society for Risk Analysis* annual meeting, New Orleans, LA.

- Dixon, G.** & Hubner, A. (2018). Neutralizing political worldviews by communicating scientific agreement: A thought-listing study. *Paper presented to the Environmental Communication division of the International Communication Association, Prague, Czech Republic. *Top Paper Award**
- Dixon, G.**, Hart, S., Clarke, C., & O'Donnell, N. (2017). Forecasting barriers to wide scale adoption of self-driving car technology. *Poster presented at Society for Risk Analysis annual meeting, Arlington, VA.*
- Ma, Y., **Dixon., G.**, & Hmielowski, J. (2017). More harm than good? Examining the persuasive and backfiring effects of climate change consensus messages. *Presented at the ICA conference, San Diego, CA.*
- Dixon. G.**, Ma, Y, & Hmielowski, J. (2016). A conflict on consensus: Current critiques and future outlook on climate change consensus messaging research. *Abstract presented at Society for Risk Analysis annual meeting, San Diego, CA.*
- Dixon, G.** (2016). A measured critique of the Gateway Belief Model and consensus messaging research. *Paper presented at AEJMC annual conference, Minneapolis, MN.*
- Dixon, G.** (2016). Collecting data from online labor market. *Panelist at CT&M PF&R panel, AEJMC annual conference, Minneapolis, MN.*
- Dixon, G.** (2016). Responsible communication and media coverage of contested science in a highly charged political atmosphere. *Panelist at COMSHER PF&R panel, AEJMC annual conference, Minneapolis, MN.*
- Dixon, G.** (2016). Communicating inaction-framed risk: Overcoming challenges of the omission bias via internal causal attribution. *Paper presented at AEJMC annual conference, Minneapolis, MN.*
- Dixon, G.** (2015). The challenge of communicating the risk of inaction: Linking causal attribution to biased information processing. *Poster presented at Society for Risk Analysis annual conference, Arlington, VA.*
- Dixon, G.** & Kaiser, K. (2015). Affective news content and online information seeking behavior. An expanded view of user-generated comments in digital journalism. *Paper presented at AEJMC annual conference, San Francisco, CA.*
- Dixon, G.**, McComas, K., & Besley, J. (2014). Procedural fairness in decisions about GMO labeling. *Abstract presented at Society for Risk Analysis annual meeting. Denver, CO.*
- Kretser, H., Lauber, B., **Dixon, G.** & McComas, K (2014). Inconsistent messages in state wildlife and public health agency communication about bats: Potential impacts for conservation and recovery. *Abstract presented at Pathways 2014 conference.*

- Dixon, G.** (2014). Affective arousal and online risk information seeking behavior: The role of emotional exemplars in online comment reading. *Paper presented at the National Communication Association annual meeting*. Chicago, IL.
*** Top student paper award***
- Dixon, G.** (2014). Affective arousal as a mechanism of exemplification effects: An experiment on two sided message recall and risk perception. *Paper presented at the Association for Education in Journalism and Mass Communication annual meeting*. Montreal, CA.
- Clarke, C., Holton, A., McKeever, B., & **Dixon, G.** (2014). Linking evidentiary balance, uncertainty, and health attitudes in the context of vaccine risk. *Paper presented at the Association for Education in Journalism and Mass Communication annual meeting*. Montreal, CA.
- Dixon, G.** (2013). Uneven recall and inaccurate risk assessments from reading balanced news articles of controversial risk topics. *Poster presented at the Society for Risk Analysis annual meeting*, Baltimore, MD.
- Dixon, G.**, Deline, M.B., McComas, K., Chambliss, L., & Hoffmann, M. (2013). The use of comparative feedback to influence workplace energy conservation: A summative evaluation of the CALS Green energy conservation and sustainability initiative. *Paper presented at the National Communication Association annual meeting*, DC.
- Clarke, C., **Dixon, G.**, Holton, A., & McKeever, B. (2013). Overcoming the effects of “falsely balanced” media coverage of health risks through attention to context. *Paper presented at the Association for Education in Journalism and Mass Communication annual meeting*. DC. *** Top 3 faculty paper award***
- Dixon, G.**, Deline, M.B., McComas, K., Chambliss, L., & Hoffmann, M. (2013). The use of comparative feedback to influence workplace energy conservation. *Abstract presented at the Association for Environmental Studies and Sciences annual meeting*. Pittsburgh, PA.
- Dixon, G.** & Clarke, C. (2012). Heightening uncertainty around certain science: Media coverage, false balance, and the autism-vaccine controversy. *Paper presented at the Association for Education in Journalism and Mass Communication*. Chicago, IL.
*** Top student paper/Eason prize award***
- Dixon, G.**, & Clarke, C. (2012). Effect of falsely balanced media coverage of the autism-vaccine controversy on vaccine safety perceptions and behavioral intention. *Poster presented at the American Public Health Association Annual Meeting*. San Francisco, CA.
- Dixon, G.** (2012). A false balance? Affect, exemplars, and media coverage of controversial risk. *Poster presented at the Society for Risk Analysis Annual Meeting*, San Francisco, CA

- Dixon, G. & Clarke, C.** (2011). Media coverage, “false balance,” and the autism-vaccine controversy: A preliminary experiment. *Poster presented at the Society for Risk Analysis Annual Meeting*. Charleston, SC.
- Dixon, G.** (2011). Autonomous community science: A fifth model of PPSR. *Abstract presented at the Society for the Social Studies of Science (4s) Annual Meeting*. Cleveland, OH.
- Dixon, G., Birnholtz, J., & Hancock, J.** (2011). Polite task-switching: Technology, ambiguity, and autonomy in a work organization. *Paper presented at the 61st Annual International Communication Association Conference*, Boston, MA.

INVITED PRESENTATIONS

- Dixon, G. (2020). Guest Lecturer, Mass Media and Vaccination, College of Pharmacy, The Ohio State University, Columbus, OH
- Dixon, G. (2018). Guest Lecturer, Exemplification Theory, Grady College of Communication, University of Georgia, Athens, GA.
- Dixon, G. (2017). Guest speaker. Episode 3: Polarized opinion on climate change and messages that move conservatives. Niskanen Center’s Political Research Digest.

TEACHING EXPERIENCE

2017 - Present; Associate Professor – The Ohio State University

- Comm 2596: Introduction to the Communication of Science, Health, Environment and Risk
- Comm 3340: Environmental Campaigns
- Comm 3331: Communication and Decision Making
- Comm 4556: Science Communication

2014 - 2017; Assistant Professor – Washington State University

- COMSOC 480 Science Communication Campaigns (30 student cap)
- COM 309 Quantitative Research Methods (130 student cap)
- COM 105 Communicating across Global Contexts (550 student cap)
- COM 564 Graduate Research Methods for Professionals (30 student cap)

2009-2014: Graduate Teaching Assistant – Cornell University

- Media Communication
- Introduction to Communication
- Planning Communication Campaigns
- Communicating Science, Health, Environment, and Risk

2008-2009: Japan Exchange and Teaching (JET) Assistant Language Teacher (ALT) – Higashine, Japan

- Worked at the Higashine Board of Education as an ALT, assisting with English curriculum development and classes for elementary and junior high schools.

GRADUATE ADVISING

2017 – Present; Assistant Professor – Ohio State University

Dissertation Committee Chair

- Austin Hubner (Graduated May 2022)
 - Currently Assistant Professor of Communication at University of Louisville

Dissertation committee member

- Tran Luong (graduated May 2019)
- Min Seon Jeong (graduated May 2020)
- Jared Ott (graduated May 2021)
- Naomi Tan (graduated May 2020)
- Olivia Bullock (graduated May 2022)

Assistant Professor, Washington State University, The Edward R. Murrow College of Communication (Pullman, WA) 2014-2017

Dissertation Committee Chair

- Yanni Ma from 2015 to 2017 (graduated May 2018)
 - Currently Assistant Professor of Communication at Oregon State University
- Minor member of dissertation committee for Zhaomeng Niu (graduated August 2017)
- Minor member of masters committee for Alyssa Mayeda (graduated May 2017)
- Minor member of masters committee for Jiayu Li (graduated May 2015)
- Minor member of masters committee for Ranran Zhu (graduated May 2015)

MEDIA COVERAGE OF PUBLISHED RESEARCH

- [Salon](#)
- [Columbia Journalism Review](#)
- [The Daily Beast](#)
- [The Guardian](#)
- [Seattle Times](#)
- [Vox](#)
- [KIRO CBS](#)

UNIVERSITY AND PROFESSIONAL SERVICE

Ohio State University

Committee membership

2022-present: Graduate Studies Committee
2021-2022: Communication Program Committee
2019-2021: Graduate Studies Committee
2018-2019: Executive Committee
2017-2018: Research Committee

Graduate Faculty Representative for Dissertation Defense

Anne Junod, School of Environment and Natural Resources (graduated 2020)

Washington State University

2014 – 2017: SONA systems co-administrator
2015 – 2017: WSU Science Writers Club Faculty Adviser

Service to Governmental Organizations

2/17-2/19/2020: Reviewer for EPA G2021-STAR-G1 (Regular and G2 Early Career)
Interventions and Communication Strategies to Reduce Health Risks of Wildland Fire Smoke
Exposure.

Service to Academic Associations

2020 – present: Treasurer, *Risk Communication Interest Group, Society for Risk Analysis*

2017-2018: Treasurer, *Risk Communication Interest Group, Society for Risk Analysis*

Editorial Service for Journals and Conferences

2023 – Present: Associate Editor of *Science Communication*

2019 – Present: Member of the Editorial Advisory Board for *Science Communication*

Ad hoc reviewer for:

- *Journal of Communication*
- *Communication Research*
- *Human Communication Research*

- *Media Psychology*
- *PLOS One*
- *Environmental Communication*
- *Environmental Politics*
- *Society and Natural Resources*
- *Journal of Political Marketing*
- *International Journal of Public Opinion Research*
- *Public Understanding of Science*
- *Psychological Reports*
- *Journal of Broadcasting and Electronic Media*
- *Journal of Health Communication*
- *Journal of Responsible Innovation*
- *Journal of Experimental Psychology: Applied*
- *Science Communication*
- *Weather, Climate, and Society*
- *Health Communication*
- *Risk Analysis*
- *Sage Open*
- *Journal of the Association for Information Science and Technology*
- *Journal of Environmental Psychology*
- *Journal of Risk Research*
- *TESS*
- *Energy Research and Social Science*
- *Global Environmental Change*
- *National Science Foundation*
- *Climatic Change*
- *JAMA Network Open*
