general plan for any specialization

for students admitted to the university Autumn 2022 or later

All programs in the College of Arts and Sciences require a minimum of 121 semester hours, including a minimum of 39 hours at the 3000 level or higher. The complete General Education curriculum and degree requirement list is available at:

<https://artsandsciences.osu.edu/academics/current-students/advising/ge>

Students interested in majoring in Communication are required to apply for admission to their major and specialization after completion of pre-major coursework. Pre-major requirements (Communication 1100 and 1101) must be completed with a C- or better for a Major & Specialization Application to be considered. The competitive admissions process is based on cumulative grade point average, pre-major course completion, and enrollment capacity. See <http://comm.osu.edu/undergraduate/pre-major> for additional details.

NOTE: School of Communication Direct Admission program students are required to submit a Major & Specialization Application once the pre-major requirements are fulfilled. All applicants are reviewed for their specialization based on the competitive admissions process as listed above.

Through the major admissions process, students are required to select and apply for a specific communication specialization. The curriculum of the different specializations varies. See <http://comm.osu.edu/undergraduate/communication> for information about each specialization.

Electives could be used to complete second major, minor, certificate, or upper-division credit hours.

*Communication 1100 fulfills the GE Social and Behavioral Sciences course.

^English 1110.xx is a prerequisite for a required major course and fulfills the GE Writing and Information Literacy course.

Plan may vary depending on course offerings, placement test scores, any credit previously earned, individual student scheduling, major specialization selected, and admission to major. Students are encouraged to meet with their advisor at least once per semester to discuss scheduling and ensure they are on the track they hope to be on for completing their degree.
