Please contact the instructor as soon as you know a makeup will be necessary. We will review and get back to you as soon as we are able. Please do not send multiple messages with the same request if we are unable to answer immediately.

Most assignments are open for a week (sometimes more) and may be turned in at any time during the week. Please plan accordingly and do not wait until the last minute. Attendance, participation, and discussions

Credit hour and work expectation

This is a 3-credit-hour course. According to Ohio State policy, students should expect around 3 hours per week of time spent on direct instruction (instructor content and Carmen activities, for example) in addition to 6 hours of homework (reading and assignment preparation, for example) to receive a grade of (C) average. [ASC Honors](#) provides an excellent guide to scheduling and study expectations.

Student participation requirements

Because this is a distance-education course, your attendance is based on your online activity and participation. Please expect to spend just as much time engaging with this class as you would an in-person course. The following is a summary of everyone's expected participation:

- **Reading:**

Textbook readings are listed in the syllabus and supplemental readings will be posted on Carmen. It is expected that you will complete the readings prior to engaging with any other materials for the week. Lectures are intended to go in-depth on topics, not to replace the readings or cover each and every topic fully. You must read to have the background knowledge to interact with the topics through lecture and activities.

- **Reviewing the module contents and weekly overview: 1x per week minimum by Monday of each week:**

A new module will be released each week in Carmen under Modules. Everything you need for the week will be in the module, unless otherwise stated in the Weekly Overview. The Weekly Overview will serve as an introduction and checklist for the week. You will receive information about what will be covered, learning objectives met and due dates for the week. You need to view this by **Monday evening** at the latest to be sure you aren't missing anything for the week.

- **Viewing lectures:**

All lectures for this course are pre-recorded and will be posted to Carmen at the opening of each module. Some lectures, or lessons, are in a written format with links to articles, videos and embedded materials to aid your interaction with the material with current real-life examples.

- **Office hours:**

Office hours are digital via Carmen Zoom. Please email me to set up a time.

Faculty feedback and response time

I am providing the following list to give you an idea of my intended availability throughout the course. (Remember that you can call **614-688-HELP** at any time if you have a technical problem.)

Grading and feedback

For weekly assignments, you can generally expect feedback within **7-10 days**. Written assignments can expect feedback within **2-3 weeks**.

E-mail

I usually reply to e-mails within **24 hours Monday-Friday**.

Discussion and communication guidelines

The following are my expectations for how we should communicate as a class. Above all, please remember to be respectful and thoughtful.

Tone and civility: The School of Communication encourages students to practice professionalism in all communications, including those conducted online. The instructor and TA both work very hard to provide a positive learning experience. Let's maintain a supportive learning community where everyone feels safe and where people can disagree amicably. Remember that sarcasm doesn't always come across online. Please keep this in mind and remain civilized and respectful in your email and discussion board communications.

Emails, items turned in to Carmen (discussions, assignments, etc.) and social media posts that are disruptive to the proceedings of class or threatening (implicitly or explicitly) toward students, teaching assistants or instructors, violate the Student Code of Conduct and may be reported to the Office of Student Conduct.

The Counseling and Career Services [netiquette](#) (internet etiquette) guide provides students with tips for professional online communications.

Citing your sources: When we have academic discussions, please cite your sources to back up what you say. (For the textbook or other course materials, please use APA style. For online sources, be sure to include a link.)

Encouraging an optimal learning experience

Previous distance learning courses have provided insights from students on how to improve the learning experience and optimize outcomes. Here are a few tips from previous students to encourage your success in this online course:

- Students kept up with the Schedule and assignment due dates.
- Students made sure they had access to a reliable internet connection.
- Students had access to at least one reliable device and a backup plan in case of a technological issue.
- Students have made plans to back up work. OSU provides free access to data storage through [Microsoft One Drive](#).
- Students reported that completing assigned readings before viewing lectures helped them to be prepared to follow along with lectures and participate in discussions.
- Students scheduled time to complete activities at a steady pace during the week. Keeping a schedule prevented a last-minute rush and kept the workload manageable.
- Students approached the material by thinking about the connections between readings, lectures, and assignments.

In addition, OSU has made Turnitin, a learning tool and plagiarism prevention system, available to instructors. For this class, you will submit your papers to Turnitin from Carmen. When grading your work, I will interpret the originality report, following [Section A of OSU's Code of Student Conduct](#) as appropriate. For more information about Turnitin, please see [the vendor's guide for students](#). Note that submitted final papers become part of the OSU database.

Diversity

The School of Communication at The Ohio State University embraces and maintains an environment that respects diverse traditions, heritages, experiences, and people. Our commitment to diversity moves beyond mere tolerance to recognizing, understanding, and welcoming the contributions of diverse groups and the value group members possess as individuals. In our School, the faculty, students, and staff are dedicated to building a tradition of diversity with principles of equal opportunity, personal respect, and the intellectual interests of those who comprise diverse cultures.

Creating an Environment Free from Harassment, Discrimination, and Sexual Misconduct

The Ohio State University is committed to building and maintaining a community to reflect diversity and to improve opportunities for all. All Buckeyes have the right to be free from harassment, discrimination, and sexual misconduct. Ohio State does not discriminate on the basis of age, ancestry, color, disability, ethnicity, gender, gender identity or expression, genetic information, HIV/AIDS status, military status, national origin, pregnancy (childbirth, false pregnancy, termination of pregnancy, or recovery therefrom), race, religion, sex, sexual orientation, or protected veteran status, or any other bases under the law, in its activities, academic programs, admission, and employment. Members of the university community also have the right to be free from all forms of sexual misconduct: sexual harassment, sexual assault, relationship violence, stalking, and sexual exploitation.

To report harassment, discrimination, sexual misconduct, or retaliation and/or seek confidential and non-confidential resources and supportive measures, contact the Office of Institutional Equity:

Online reporting form at equity.osu.edu,

Call 614-247-5838 or TTY 614-688-8605,

Or Email equity@osu.edu

The university is committed to stopping sexual misconduct, preventing its recurrence, eliminating any hostile environment, and remedying its discriminatory effects. All university employees have reporting responsibilities to the Office of Institutional Equity to ensure the university can take appropriate action:

All university employees, except those exempted by legal privilege of confidentiality or expressly identified as a confidential reporter, have an obligation to report incidents of sexual assault immediately.

The following employees have an obligation to report all other forms of sexual misconduct as soon as practicable but at most within five workdays of becoming aware of such information: 1. Any human resource professional (HRP); 2. Anyone who supervises faculty, staff, students, or volunteers; 3. Chair/director; and 4. Faculty member.

Religious Accommodations

Our inclusive environment allows for religious expression. Students requesting accommodations based on faith, religious or a spiritual belief system in regard to examinations, other academic requirements or absences, are required to provide the instructor with written notice of specific dates for which the student requests alternative accommodations at the earliest possible date. For more information about religious accommodations at Ohio State, visit odi.osu.edu/religious-accommodations.

Title IX

Title IX makes it clear that violence and harassment based on sex and gender are Civil Rights offenses subject to the same kinds of accountability and the same kinds of support applied to offenses against other protected categories (e.g., race). If you or someone you know has been sexually harassed or assaulted, you may find the appropriate resources at <http://titleix.osu.edu> or by contacting the Ohio State Title IX Coordinator at titleix@osu.edu

Mental Health

As a student you may experience a range of issues that can cause barriers to learning, such as strained relationships, increased anxiety, alcohol/drug problems, feeling down, difficulty concentrating and/or lack of motivation. These mental health concerns or stressful events may lead to diminished academic performance or reduce a student's ability to participate in daily activities. The Ohio State University offers services to assist you with addressing these and other concerns you may be experiencing. If you or someone you know are suffering from any of the aforementioned conditions, you can learn more about the broad range of confidential mental health services available on campus via the Office of Student Life's Counseling and Consultation Service (CCS) by visiting ccs.osu.edu or calling [614-292-5766](tel:614-292-5766). CCS is located on the 4th Floor of the Younkin Success Center and 10th Floor of Lincoln Tower. You can reach an on call counselor when CCS is closed at [614-292-5766](tel:614-292-5766) and 24 hour emergency help is also available 24/7 by dialing 988 to reach the Suicide and Crisis Lifeline.

Academic integrity policy

Policies for this online course

- **Written assignments:** Your written assignments, including discussion posts, should be your own original work. In formal assignments, you should follow **APA** style to cite the ideas and words of your research sources. You are encouraged to ask a trusted person to proofread your assignments before you turn them in--but no one else should revise or rewrite your work.
- **Reusing past work:** In general, you are prohibited in university courses from turning in work from a past class to your current class, even if you modify it. If you want to build

on past research or revisit a topic you've explored in previous courses, please discuss the situation with me.

- **Falsifying research or results:** All research you will conduct in this course is intended to be a learning experience; you should never feel tempted to make your results or your library research look more successful than it was.
- **Using generative artificial intelligence:** Generative artificial intelligence, such as Chat GPT should not be used to complete work in this course, unless explicitly stated in the assignment directions. While it may be useful for finding sources or gathering ideas, an assignment completed using generative AI does not adequately demonstrate your comprehension and application of the course materials.

Academic Misconduct

Academic integrity is essential to maintaining an environment that fosters excellence in teaching, research, and other educational and scholarly activities. Thus, The Ohio State University and the Committee on Academic Misconduct (COAM) expect that all students have read and understand the University's Code of Student Conduct, and that all students will complete all academic and scholarly assignments with fairness and honesty. Students must recognize that failure to follow the rules and guidelines established in the University's Code of Student Conduct and this syllabus may constitute Academic Misconduct.

The Ohio State University's Code of Student Conduct (Section 3335-23-04) defines academic misconduct as: Any activity that tends to compromise the academic integrity of the University, or subvert the educational process. Examples of academic misconduct include (but are not limited to) plagiarism, collusion (unauthorized collaboration), copying the work of another student, and possession of unauthorized materials during an examination. Ignorance of the University's Code of Student Conduct is never considered an excuse for academic misconduct, so I recommend that you review the Code of Student Conduct and, specifically, the sections dealing with academic misconduct.

If I suspect that a student has committed academic misconduct in this course, I am obligated by University Rules to report my suspicions to the Committee on Academic Misconduct. If COAM determines that you have violated the University's Code of Student Conduct (i.e., committed academic misconduct), the sanctions for the misconduct could include a failing grade in this course and suspension or dismissal from the University.

If you have any questions about the above policy or what constitutes academic misconduct in this course, please contact me.

Accessibility accommodations for students with disabilities

Requesting accommodations

The university strives to make all learning experiences as accessible as possible. If you anticipate or experience academic barriers based on your disability (including mental health, chronic, or temporary medical conditions), please let Student Life Disability Services (SLDS) know immediately so that you can privately discuss options. To establish reasonable accommodations, they may request that you register with SLDS. After registration, make arrangements with your instructors as soon as possible to discuss your accommodations so that they may be implemented in a timely fashion. SLDS contact information: slds@osu.edu; 614-292-3307; slds.osu.edu; 098 Baker Hall, 113 W. 12th Avenue. Students seeking to request COVID-related accommodations may do so through the university's request process (slds.osu.edu/covid-19-info/covid-related-accommodation-requests/), managed by SLDS.
