Pink Floyd "Division Bell" (Rough) By Storm Thorgerson

Stephen Hawking (1942 to 2018), theoretical physicist

"For millions of years mankind lived just like the animals. Then something happened which unleashed the power of our imagination. We learned to talk."

— Stephen Hawking, "Keep Talking" song by Pink Floyd on *Division Bell* album

"Speech has allowed the communication of ideas, enabling human beings to work together to build the impossible. Mankind's greatest achievements have come about by talking. Our greatest hopes could become reality in the future, with the technology at our disposal, the possibilities are unbounded. All we need to do is make sure we keep talking." — Stephen Hawking, "Talkin' Hawkin" by Pink Floyd on *The Endless River* album

COMMUNICATION RESEARCH EXPERIENCE PROGRAM (C-REP) COORDINATOR

Name: Jessica Ryu

Email address: ryu.205@buckeyemail.osu.edu

COURSE DESCRIPTION AND PREREQUISITES

This course is 100% online. This course will discuss the nature of scientific theory in general and communication theory in particular. It provides an overview of some of the major theories guiding our understanding of communication in various contexts (e.g., interpersonal, group, political, organizational, intercultural, mass mediated). The course will focus only on theories that can be tested using the scientific method. All theories will be critiqued using specific criteria and standards. When possible, theories will be applied to real-world communication contexts.

<u>Trigger warning</u>: Some content in this course may involve media that may elicit a traumatic response in some students. If needed, please take care of yourself while watching/reading this material (contacting Counseling and Consultation Services at 614-292-5766 if needed).

COURSE LEARNING OUTCOMES

This course satisfies the General Education Curriculum requirement "Social Science: Individuals and Groups." At the conclusion of this course students should be able to:

(A)APPLY SOCIAL SCIENCE THEORIES TO THE STUDY OF INDIVIDUALS AND GROUPS:

This course is grounded in theory, with a special emphasis on social science theories used in the field of communication. Readings, lectures, exams, reading assignments, and writing assignments fulfill this learning outcome.

(B)STUDENTS UNDERSTAND THE BEHAVIOR OF INDIVIDUALS, DIFFERENCES AND SIMILARITIES IN SOCIAL AND CULTURAL CONTEXTS OF HUMAN EXISTENCE, AND THE PROCESSES BY WHICH GROUPS FUNCTION.

In this course, several lectures and chapters are devoted to individual differences in communication (e.g., gender, minority groups, people from individualistic versus

collectivist cultures). Readings, lectures, exams, reading assignments, and writing assignments fulfill this learning outcome.

(C)STUDENTS COMPREHEND AND ASSESS INDIVIDUAL AND GROUP VALUES AND THEIR IMPORTANCE IN SOCIAL PROBLEM SOLVING AND POLICY MAKING.

Communication is a critical tool for solving problems between individuals and groups. Readings, lectures, exams, reading assignments, and writing assignments fulfill this learning outcome.

COURSE OBJECTIVES

Students who complete this course will also:

- 1. Comprehend the scientific method
- 2. Comprehend scientific theories
- 3. Comprehend different research methods scientists use to test hypotheses, which are often deduced from theories
- 4. Comprehend some important scientific theories used in the field of communication
- 5. Comprehend some important individual differences in communication styles
- 6. Comprehend the role of communication in some important contexts (e.g., interpersonal, group, political, organizational, intercultural, mass mediated).

MODE OF DELIVERY

This asynchronous course will be presented fully online. All lectures are asynchronous. Closed captioning can be turned on by pressing on the "CC" button. Links to lectures for each week are on Carmen under "**Recorded lectures**."

HOW THIS COURSE WORKS

This course consists of eight weekly modules, which are listed on Carmen. Each module specifies the topic discussed, the assigned readings, PowerPoint slides, recorded lectures, and assignments. Some weeks contain supplemental materials (e.g., readings, personality scales, videos, webpages).

COURSE MATERIALS

The textbook for this course is being provided via CarmenBooks. Through CarmenBooks, students obtain publisher materials electronically through CarmenCanvas, saving them up to 80% per title. The fee for this material is included as part of tuition and is listed as *CarmenBooks fee* on your Statement of Account. In

addition to cost-savings, materials provided through CarmenBooks are available immediately on or before the first day of class. There is no need to wait for financial aid or scholarship money to purchase your textbook.

Unless you choose to opt-out of the program, you do <u>NOT</u> need to purchase any materials for this course at the bookstore. For more information on the program or information on how to opt out, <u>please visit the CarmenBooks website</u>.

See this <u>video to learn how to access the textbook</u> to learn how to access the textbook. For more information on the program or how to opt out, please visit the <u>CarmenBooks</u> <u>website</u>. Access to Connect, which includes the textbook as an ebook, is available through the "**McGraw Hill Connect**" link within Carmen (listed on the left-hand side of the page, after "**Modules**").

Connect also includes SmartBook (previously called <u>LearnSmart</u>), which is an interactive study tool that adaptively assesses students' skill and knowledge levels to track which topics students have mastered and which require further instruction and practice. Based upon student progress, it then adjusts the learning content based on their knowledge strengths and weaknesses, as well as their confidence level around that knowledge. There are 15 reading assignments to be completed in SmartBook, which are worth 45% of your grade (3% each). See the "Textbook Resources" module for more information.

The textbook comes free with tech support:

GRADING

GRADED ASSIGNMENT OVERVIEW

The graded activities are designed to assess basic-level understandings (e.g., remember and understand) as well as higher-level understandings (e.g., apply and analyze). The specific assignments are presented below along with a short description of the general format of the assignment and its relationship to student learning.

Exams: There will be four online exams that are worth 50% of your grade (12.5% each exam). Each exam has 19 questions and is worth 25 points (16 multiple-choice questions worth 1 point each and 3 short-answer questions worth 3 points each). Over 70% of multiple-choice questions and 100% of short answer questions will come from lecture. Exam 4 is the final exam for this course and is not comprehensive. All students are required to take Exam 4, including graduating seniors. All exams are closed book; no external materials are allowed when taking exams (e.g., Google translate, PowerPoint slides, notes, books, articles, computers, handheld devices, communicating with other students, etc.). You will have 90 minutes to complete each exam. Each exam will be open for 24 hours to accommodate possible conflicts and different time zones. However, the instructor will only be available to answer your questions on exam days between 9 AM and 5 PM. The exams will assess students' knowledge of the readings and lectures as well as their ability to apply their knowledge to related contexts. Exam answers are not revealed (because I reuse some questions), but you can review your answers with me during office hours. You cannot makeup a missed exam. You cannot redo an exam for a higher score.

Online reading assignments: There are 15 online reading assignments that are worth 45% of your grade (3% each) that come from the 15 assigned chapters from the textbook SmartBook assignments. Assignments close Sunday night (1 minute before midnight). You cannot make up a missed reading assignment. You cannot redo a reading assignment for a higher score. Please allow 24 hours for scores to be recorded in Carmen.

Communication Research Experience (C-REP): All students in COMM 1100 are required to participate in the Communication Research Experience Program (C-REP). C-REP is designed to give students direct exposure to the topics, goals, methods, and ethical issues of communication research. Your participation in C-REP counts for 5% of your course grade (1% per hour of credit). You can earn partial credit (e.g., 4% for 4 credits). Participation can take the form of research studies and/or alternative assignments. The deadline for requesting alternative assignment/ participating in research is July 19th at 9 PM. Important information about C-REP:

- Both COMM 1100 and COMM 1101 require C-REP participation, and some students take both courses simultaneously. If you are enrolled only in COMM 1100, you only need 5 hours. If you are enrolled in both courses, you need 10 hours. The same C-REP participation CANNOT be counted for both courses. For each study, you will indicate what class the credit goes toward.
- At least half of your credits should be completed during the first half of the semester. It is wise to complete your C-REP requirement as early as possible in the semester when demands on your time and signups for studies are the lightest. Because the number of studies may be limited, it is also wise to ask for

alternative assignments early.

• If you sign up for a study but do not show up, you will have to complete an alternative assignment to make up the hours you missed. You will be locked out of C-REP until you complete the alternative assignment.

The C-REP Student Guide is on Carmen in the "Communication Research Experience (C-REP)" module. If you have any questions, please review those materials and this <u>presentation</u>. If you have a question not covered in the supporting materials, email the C-REP coordinator Jessica Ryu <ryu.205@buckeyemail.osu.edu> (not the instructor).

Student Evaluation of Instruction (SEI): At the end of the semester, you will receive an email about completing an SEI for this course. There are three options to access the SEI: (1) a link in the email, (2) a link in Carmen, or (3) via the OSU Mobile App. OSU uses SEIs to evaluate teachers. However, if the response rate is low, SEIs are difficult to interpret. I have received permission from my department chair to offer 1% extra credit to all students if the SEI response rate is over 80%. Please complete your SEI.

GRADES

Points will be distributed as follows:

Activity	Points	Percent
Exams (N=4)	100 (25 points each)	50% (12.5% each)
Reading assignments (N=15)	90 (6 points each)	45% (3% each)
C-REP (5 hours)	10 (2 points per hour)	5% (1% per hour)
TOTAL	200	100%

The following standard percentages will be used to assign grades:

A: 93-100%	B: 83-86%	C: 73-76%	D: 60-66%
A-: 90-92%	B-: 80-82%	C-: 70-72%	E: < 60%
B+: 87-89%	C+: 77-79%	D+: 67-69%	

Note. Grades are not rounded. No extra credit is offered in this course (other than 1% if at least 80% of students complete the SEI). Please do not ask me to raise your grade, even if you just barely missed the next highest grade. It is against OSU policy to change a grade for any reason other than a clerical error.

Grading curve: I do not use a grading curve. However, if the average total grade at the end of the semester is under 75%, I will add a bonus percentage to everyone's grade (e.g., if it is 73%, I will add 2% to everyone's grade).

LATE ASSIGNMENTS

Late work is not accepted in this class. Assignments turned in after the deadline will only be accepted with a valid medical or university excuse that is presented within 5 days of the missed deadline.

CREDIT HOUR AND WORK EXPECTATION

This is a 3-credit-hour course. According to Ohio State policy, students should expect around 3 hours per week of time spent on direct instruction (instructor content and Carmen activities, for example) in addition to 6 hours of homework (reading and assignment preparation, for example) to receive a grade of (C) average. ASC Honors provides an excellent guide to scheduling and study expectations.

STUDENT PARTICIPATION REQUIREMENTS

Because this is a distance-education course, your attendance is based on your online activity and participation. The following is a summary of everyone's expected participation:

Modules:

The module for each week is sorted as Topics, Readings, PowerPoint slides, Videotaped lectures, and Assignments. Note that the PowerPoint slides contain only definitions of concepts rather than all the slides shown in videotaped lectures.¹

Office hours:

I am available to help you to learn, understand, and grow as individuals. Office hours are digital via CarmenZoom Monday 8-11 AM via this **Zoom office hours** link on CarmenZoom (no appointment needed).

FACULTY FEEDBACK AND RESPONSE TIME

I am providing the following list to give you an idea of my intended availability throughout the course. Remember that you can call **614-688-HELP (614-688-4357)** at any time if you have a technical problem.

GRADING AND FEEDBACK

For written assignments, you can expect feedback within **7 days**.

E-MAIL

I will reply to e-mails within 24 hours on school days.

ENCOURAGING AN OPTIMAL LEARNING EXPERIENCE

Previous distance learning courses have provided insights from students on how to improve the learning experience and optimize outcomes. Here are a few tips from previous students to encourage your success in this online course:

- Students kept up with the Schedule and assignment due dates.
- Students made sure they had access to a reliable internet connection.
- Students had access to at least one reliable device and a backup plan in case of a technological issue.
- Students have made plans to back up work. OSU provides free access to data storage through <u>Microsoft OneDrive</u>.
- Students reported that completing assigned readings before viewing lectures helped them to be prepared to follow along with lectures.
- Students scheduled time to complete activities at a steady pace during the week.
 Keeping a schedule prevented a last-minute rush and kept the workload manageable.
- Students approached the material by thinking about the connections between readings, lectures, and assignments.

COURSE TECHNOLOGY

For help with your password, university e-mail, Carmen, or any other technology issues, questions, or requests, contact the OSU IT Service Desk, which is available 24x7.

• Carmen:

- Carmen, Ohio State's Learning Management System, will be used to host materials and activities throughout this course. To access Carmen, visit <u>Carmen.osu.edu</u>. Log in to Carmen using your name.# and password. If you have not setup a name.# and password, visit my.osu.edu.
- See the help guides on the use of Carmen.
- This online course requires use of Carmen (Ohio State's learning management system) and other online communication and multimedia tools. If you need additional services to use these technologies, please request accommodations with your instructor.
 - Carmen accessibility

• CarmenZoom:

- Office hours for the instructor and teaching assistant will be held through CarmenZoom.
- See the help guides on the use of CarmenZoom
- One <u>study</u> found that you can reduce your carbon footprint by 96%

by turning your camera off during Zoom meetings.

- **Honorlock:** Honorlock, an online proctoring tool, will be used during this course. Honorlock offers you flexibility to take your exams at the time and in the location of your choosing during the exam's availability window.
 - <u>Technology requirements</u>: Students are required to have a webcam (USB or internal) with a microphone, allow for screen recording, and have a strong and stable internet connection,
 - Testing environment: During the course of an exam, Honorlock will record the testing environment, therefore students should select private spaces for the exam session where disruptions are unlikely and where recording devices can be enabled. Instructions for Honrolock use will be provided.
 - <u>Limitations</u>: To use Honorlock you must be over 18 years of age or have the Online Course Recording Waiver on file. Additionally, the tool has **limitations in its accessibility** for students reliant upon screen readers and keyboard navigation. Additional information on academic integrity at Ohio State and <u>recommended proctoring options</u> are available.
 - Academic integrity and academic misconduct: Please note that while Honorlock settings may flag suspected cheating during exams, these automatic measures do not constitute a determination of academic misconduct. Any suspicion of misconduct will be referred to the <u>Committee</u> on <u>Academic Misconduct</u> and evaluated through a fair and transparent process.
 - Students may request an in-person proctoring alternative to Honorlock or other online proctoring tools. The student is expected to contact the instructor as soon as possible to coordinate the accommodation.
 - Students will not be permitted to take remotely proctored exams in their homes or residence halls unless they are willing to conduct a room scan.
 By choosing to take the exam in their home or residence hall, the student is consenting to the room scan of the area in which they take the exam.

Honorlock support is available 24/7/365. If you encounter any issues, you may contact them through live chat on the <u>support page</u> or within the exam itself. Or you can also reach out to <u>carmen@osu.edu</u> or call 614-688-HELP and talk to the Carmen eLearning team.

BASELINE TECHNICAL SKILLS NECESSARY FOR ONLINE COURSES

- Basic computer and web-browsing skills
- Navigating Carmen

NECESSARY EQUIPMENT

- Computer: current Mac (OS X) or PC (Windows 7+) with high-speed internet connection
- Web cam and microphone

NECESSARY SOFTWARE

- Word processor with the ability to save files under .doc, .docx, .rtf, or .pdf. Most popular word processing software programs including Microsoft Word and Mac Pages have these abilities.
- OSU students have access to Microsoft Office products free of charge here.

OTHER COURSE POLICIES

ACADEMIC INTEGRITY POLICY

Academic integrity is essential to maintaining an environment that fosters excellence in teaching, research, and other educational and scholarly activities. Thus, The Ohio State University and the Committee on Academic Misconduct (COAM) expect that all students have read and understand the University's Code of Student Conduct, and that all students will complete all academic and scholarly assignments with fairness and honesty. Students must recognize that failure to follow the rules and guidelines established in the University's Code of Student Conduct and this syllabus may constitute Academic Misconduct.

The Ohio State University's Code of Student Conduct (Section 3335-23-04) defines academic misconduct as: Any activity that tends to compromise the academic integrity of the University or subvert the educational process. Examples of academic misconduct include (but are not limited to) plagiarism, collusion (unauthorized collaboration), copying the work of another student, and possession of unauthorized materials during an examination. Ignorance of the University's Code of Student Conduct is never considered an excuse for academic misconduct, so I recommend that you review the Code of Student Conduct and, specifically, the sections dealing with academic misconduct.

If I suspect that a student has committed academic misconduct in this course, I am obligated by University Rules to report my suspicions to the Committee on Academic Misconduct. If COAM determines that you have violated the University's Code of Student Conduct (i.e., committed academic misconduct), the sanctions for the misconduct could include a failing grade in this course and suspension or dismissal from the University.

Copyright law must be considered before copying, retaining, or disseminating materials outside of the course.

STATEMENT ON TITLE IX

All students and employees at Ohio State have the right to work and learn in an environment free from harassment and discrimination based on sex or gender, and the university can arrange interim measures, provide support resources, and explain investigation options, including referral to confidential resources. If you or someone you know has been harassed or discriminated against based on your sex or gender, including sexual harassment, sexual assault, relationship violence, stalking, or sexual exploitation, you may find information about your rights and options at titleix.osu.edu or by contacting the Ohio State Title IX Coordinator at titleix@osu.edu. Title IX is part of the Office of Institutional Equity (OIE) at Ohio State, which responds to all biasmotivated incidents of harassment and discrimination, such as race, religion, national origin and disability. For more information on OIE, visit equity.osu.edu or email equity@osu.edu.

COMMITMENT TO A DIVERSE AND INCLUSIVE LEARNING ENVIRONMENT

The Ohio State University affirms the importance and value of diversity of people and ideas. We believe in creating equitable research opportunities for all students and to providing programs and curricula that allow our students to understand critical societal challenges from diverse perspectives and aspire to use research to promote sustainable solutions for all. We are committed to maintaining an inclusive community that recognizes and values the inherent worth and dignity of every person; fosters sensitivity, understanding, and mutual respect among all members; and encourages each individual to strive to reach their own potential. The Ohio State University does not discriminate on the basis of age, ancestry, color, disability, gender identity or expression, genetic information, HIV/AIDS status, military status, national origin, race, religion, sex, gender, sexual orientation, pregnancy, protected veteran status, or any other bases under the law, in its activities, academic programs, admission, and employment.

RELIGIOUS ACCOMMODATIONS

Ohio State has had a longstanding practice of making reasonable academic accommodations for students' religious beliefs and practices in accordance with applicable law. In 2023, Ohio State updated its practice to align with new state legislation. Under this new provision, students must be in early communication with their instructors regarding any known accommodation requests for religious beliefs and practices, providing notice of specific dates for which they request

alternative accommodations within 14 days after the first instructional day of the course. Instructors in turn shall not question the sincerity of a student's religious or spiritual belief system in reviewing such requests and shall keep requests for accommodations confidential. With sufficient notice, instructors will provide students with reasonable alternative accommodations with regard to examinations and other academic requirements with respect to students' sincerely held religious beliefs and practices by allowing up to three absences each semester for the student to attend or participate in religious activities. Examples of religious accommodations can include, but are not limited to, rescheduling an exam, altering the time of a student's presentation, allowing make-up assignments to substitute for missed class work, or flexibility in due dates or research responsibilities. If concerns arise about a requested accommodation, instructors are to consult their tenure initiating unit head for assistance. A student's request for time off shall be provided if the student's sincerely held religious belief or practice severely affects the student's ability to take an exam or meet an academic requirement and the student has notified their instructor, in writing during the first 14 days after the course begins, of the date of each absence. Although students are required to provide notice within the first 14 days after a course begins, instructors are strongly encouraged to work with the student to provide a reasonable accommodation if a request is made outside the notice period. A student may not be penalized for an absence approved under this policy. If students have questions or disputes related to academic accommodations, they should contact their course instructor, and then their department or college office. For questions or to report discrimination or harassment based on religion, individuals should contact the Office of Institutional Equity. Policy: Religious Holidays, Holy Days and Observances

CREATING AN ENVIRONMENT FREE FROM HARASSMENT, DISCRIMINATION, AND SEXUAL MISCONDUCT

The Ohio State University is committed to building and maintaining a community to reflect diversity and to improve opportunities for all. All Buckeyes have the right to be free from harassment, discrimination, and sexual misconduct. Ohio State does not discriminate on the basis of age, ancestry, color, disability, ethnicity, gender, gender identity or expression, genetic information, HIV/AIDS status, military status, national origin, pregnancy (childbirth, false pregnancy, termination of pregnancy, or recovery therefrom), race, religion, sex, sexual orientation, or protected veteran status, or any other bases under the law, in its activities, academic programs, admission, and employment. Members of the university community also have the right to be free from all forms of sexual misconduct: sexual harassment, sexual assault, relationship violence, stalking, and sexual exploitation.

To report harassment, discrimination, sexual misconduct, or retaliation and/or seek confidential and non-confidential resources and supportive measures, contact the Office of Institutional Equity:

1. Online reporting form at equity.osu.edu,

- **2.** Call 614-247-5838 or TTY 614-688-8605,
- 3. Or Email equity@osu.edu

The university is committed to stopping sexual misconduct, preventing its recurrence, eliminating any hostile environment, and remedying its discriminatory effects. All university employees have reporting responsibilities to the Office of Institutional Equity to ensure the university can take appropriate action:

- All university employees, except those exempted by legal privilege of confidentiality or expressly identified as a confidential reporter, have an obligation to report incidents of sexual assault immediately.
- The following employees have an obligation to report all other forms of sexual
 misconduct as soon as practicable but at most within five workdays of becoming
 aware of such information: (1) Any human resource professional (HRP); (2)
 Anyone who supervises faculty, staff, students, or volunteers; (3) Chair/director;
 and (4) Faculty member.

LAND ACKNOWLEDGEMENT

We would like to acknowledge the land that The Ohio State University occupies is the ancestral and contemporary territory of the Shawnee, Potawatomi, Delaware, Miami, Peoria, Seneca, Wyandotte, Ojibwe and Cherokee peoples. Specifically, the university resides on land ceded in the 1795 Treaty of Greeneville and the forced removal of tribes through the Indian Removal Act of 1830. We want to honor the resiliency of these tribal nations and recognize the historical contexts that has and continues to affect the Indigenous peoples of this land. More information on OSU's land acknowledgement can be found here.

WELLNESS

As a student, your health and wellness can have an impact on your academic success. Common wellness concerns during your time at the university may include high levels of stress, sleep and diet behaviors, alcohol and other drug use, depression and anxiety, and interpersonal relationship issues. The Office of Student Life has numerous resources and services available to you at no charge to help you address those concerns.

You can learn more about health and wellness resources available on campus by visiting the websites for the <u>Student Wellness Center</u>, <u>Wilce Student Health</u> <u>Center</u>, <u>Recreational Sports</u> and <u>Counseling and Consultation Service</u>. For students in recovery or seeking recovery from substance use disorders, learn more about support on campus by visiting the <u>Collegiate Recovery Community</u>. For students facing food insecurity, learn more about the free on-campus food pantry by visiting the <u>Buckeye Food Alliance</u>. For students interested in speaking with a peer to learn more about campus resources, call the <u>Buckeye Peer Access Line</u>. For students interested in meeting with a peer and setting holistic wellness goals, learn more about <u>Wellness Coaching</u>.

YOUR MENTAL HEALTH

As a student you may experience a range of issues that can cause barriers to learning, such as strained relationships, increased anxiety, alcohol/drug problems, feeling down, difficulty concentrating and/or lack of motivation. These mental health concerns or stressful events may lead to diminished academic performance or reduce a student's ability to participate in daily activities. The Ohio State University offers services to assist you with addressing these and other concerns you may be experiencing. If you or someone you know are suffering from any of the aforementioned conditions, you can learn more about the broad range of confidential mental health services available on campus via the Office of Student Life's Counseling and Consultation Service (CCS) by visiting ccs.osu.edu or calling 614-292-5766. CCS is located on the 4th floor of the Younkin Success Center and 10th floor of Lincoln Tower. You can reach an on-call counselor when CCS is closed at 614-292-5766 and 24-hour emergency help is also available through the 24/7 by dialing 988 to reach the Suicide and Crisis Lifeline.

ACCESSIBILITY ACCOMMODATIONS FOR STUDENTS WITH DISABILITIES

REQUESTING ACCOMMODATIONS

The university strives to make all learning experiences as accessible as possible. If you anticipate or experience academic barriers based on your disability including mental health, chronic or temporary medical conditions, please let me know immediately so that we can privately discuss options. To establish reasonable accommodations, I may request that you register with Student Life Disability Services. After registration, make arrangements with me as soon as possible to discuss your accommodations so that they may be implemented in a timely fashion. **SLDS contact information:** slds@osu.edu; 614-292-3307; 098 Baker Hall, 113 W. 12th Avenue.
