Fridays 1:00 pm – 2:00 pm  
or by appointment.

## Course Information

### Course Description

**This course will be delivered 100% online.** This course introduces students to a process driven, user centered approach to web/app design. It is structured to provide information and insight in the area of User Experience— covering research, prototyping, conceptualization, and usability testing. This is NOT a web programming class, yet students will use prototyping software (Adobe Xd) to individually and in groups solve UX problems. Furthermore, students will apply course principles by creating/redesigning a website prototype or mobile application prototype that integrates functional and emotional user needs based on course UX theory.

### [Course Zoom meeting link](#)

## Course learning goals and outcomes

### Course Goals

- Students will understand the process of User Centered Design from abstract conceptualization to concrete prototyping.
- Students will explore UX industry software (Adobe Xd).

- Students will conduct UX research and usability testing in the User Centered Design process
- Students will appreciate the intricacies of teams working

## Course Learning Outcomes

Students will be able to explain all plains levels of the User Centered Design process.  
Students will be able to apply UX design process to evaluate a website's deficiencies.  
Students will be able to prototype web/app using UX design process.  
Students will be able to define HTML, Web and CMS vocabulary.  
Students will be able to explain different roles of web development teams.  
Students will be able to assess teammates' work and evaluate their work.  
Students will be able to analyze UX research and testing and make design decisions based on findings.  
Students will be able to perform changes to a website using UX Design approach  
Students will be able to conduct UX usability testing and analyze it to improve UX experience.

## Mode of delivery & How this course works

This course will be presented fully online using **Synchronous content and Asynchronous content**. This is a progress-oriented course that requires active student participation. An equal balance between theory and practice will be expected. Students should expect to devote several hours per week for homework, reading and assignments.

- **Synchronous Content** consist of live distance learning component via scheduled **Zoom meetings every Wednesday during regular class time: 9:35am – 10:55am.** **We will have meeting on Fridays as well for lecture, group work and support.** **Some Fridays will be asynchronous** This is an opportunity to have live lectures, discussions and review reading materials as well as project tutorials. Student will have the opportunity to break into groups for discussions and critiques. Additional live class might be added during the semester to help students with the course.
- **Asynchronous Content** will be available every week on Carmen using modules which will include pages, video lectures, tutorials, demonstrations, homework, assignments, discussions and participation, assessments quizzes and exams.

## Grading and faculty response

### Evaluation and Grading

Students will be evaluated on participation in class discussions, presentations, ability to apply course material to projects, exams, ability to create professional quality work, and the ability to exchange ideas and responds to constructive criticism. The highest standards of quality work will be expected. Students must demonstrate the ability to work independently and responsibly. Exam will be based on lectures, readings and exercises.

### Grades

**Each project will be assigned a numerical grade.**

Lecture Quizzes using Proctorio	100
Midterm Exam	200
Midterm Presentation/Deliverables/Materials:	100
Final Exam	200
Final Project and Presentation	150
Adobe Xd homework and mobile application	150
Attendance, participation quizzes and discussions posts <ul style="list-style-type: none"><li>• 6 discussion posts x 5 points each (30 points)</li></ul>	100

<ul style="list-style-type: none"><li>• 5 participation quizzes x 5 points each (25 points)</li><li>• 15 Live Zoom meeting x 3 points (45 points)</li></ul>	
<b>TOTAL</b>	<b>1000</b>

## Assignments

**Lecture quizzes.** (100 points) This pre-scheduled quizzes will cover class material, lectures and technical Adobe Xd skills. These quizzes will be conducted on Carmen and will be proctored via Proctorio.

**Attendance, participation and discussions** (100 points). There will be short quizzes to assess students' participation and attendance on Carmen at the end of throughout the semester. Participation points will also be awarded on Carmen based on online Discussion posts. Discussion posts are scheduled on Carmen and will allow students to demonstrate their comprehension of the class materials. Students need to also be present during at least 15 Live Zoom meetings. Check the grade distributions for more detail information.

**Adobe Xd** (150 points) Students will complete 10 lessons homework from the book Adobe Xd Classroom in a book. The sequential order of the homework will allow students to become familiar with Adobe Xd and gain the prototyping skills necessary to apply for final group project and prototyping a mobile application. Students will follow instruction and upload homework files before deadlines on the calendar.

Quizzes. (100 points)

**Midterm project (100 points) and Final project (150 points)** Students will work on the redesign of a website. You'll work on this project the entire semesters completing several steps prior to submitting and presenting your Midterm project and Final Project to the class.

**Midterm exam (200 points) and Final Exams (200 points)** will be conducted on Carmen and will be proctored via Proctorio. They are closed book and the questions will be structured as multiple choice and fill in the blanks. The purposed is to evaluate students' understanding of the course principles theories, vocabulary on User Centered Design and prototyping using Adobe Xd.

## Late assignments

All assignments need to be uploaded to Carmen before the deadline to avoid losing points. Late assignments will receive an automatic 10% points reduction per day after the due date.

Make sure you upload all assignment with plenty of time (more than 15 minutes). If your assignment is uploading past the deadline Carmen will automatically mark it as late and apply the late penalty. Slow internet connection can also play a role in late upload submissions. It is the student's responsibility to ensure their assignments are on-time. Don't wait to the last minute to upload digital content to Carmen.

Incompletes will not be granted except under extreme circumstances. Extra credit or make-up projects will not be available.

Proctorio midterm and final exam will cover lectures, class activities, Adobe Xd and book chapters.

### Grading scale

<b>A</b> 930-1000	<b>B+</b> 870-899	<b>C+</b> 770-799	<b>D+</b> 670-699
<b>A-</b> 900-929	<b>B</b> 830-868	<b>C</b> 730-769	<b>D</b> 600-669
	<b>B-</b> 800-829	<b>C-</b> 700-729	<b>E</b> under 600

**Please note:** Carmen Canvas, OSU's grading and class management software, does not round fractions up. Please take that into account in computing grades. I do not manually round up grades. There will be opportunities for extra credit for students who choose to earn those points.

## Attendance, Participation, and discussions

### Credit hour and work expectation

This is a 3-credit-hour course. According to Ohio State policy, students should expect around 3 hours per week of time spent on direct instruction (instructor content and Carmen activities, for example) in addition to 6 hours of homework (reading and assignment preparation, for example) to receive a grade of (C) average

### A General Note

Graduating seniors (and other students) who "need" this course to graduate should work especially hard to ensure that they will pass this class (a C- or higher is required for Communication and Journalism majors). There will not be opportunities for you to re-take exams or re-do assignments in order to raise your grade. It is your responsibility to ensure that you receive a passing final grade by working diligently and responsibly throughout the semester. No exceptions will be made.

## Student participation and attendance requirements

Because this is a 100% distance-education course, your attendance is based on your online activity, participation and discussion posts.

Online Participation is mandatory. I will track participation weekly. Assessment for participation and attendance will be in the form of short weekly quizzes and completing discussion posts on Carmen.

- **Viewing lectures:**

View recorded lectures and tutorial weekly on Carmen modules. Lecture videos will be approximately 15-20 minutes long.

- **Weekly assignments**

Students will work on Adobe Xd homework weekly and upload to Carmen before the due date. Lessons are provided on Carmen along with the link to the book. Students will be responsible for UX books readings and participating in class discussions posts on Carmen.

- **Office hours:**

We are available to help you to learn, understand, and grow as individuals. If your question is something that you believe may be of interest to others in the class, please post to the “Ask the instructor” discussion board. Office hours are digital via Carmen Zoom.

Supporting documentation is required to explain the circumstances of absences. In the event that documentation is not feasible, communication with the instructor will be considered. If you can anticipate an absence, please reach out to me via email or Zoom office hours so we can work together on how to proceed. If prior notification is not possible, please reach out to me as soon as you can after so you can catch up with any missed class work.

Routine events, such as conflict between class hours, and internship including work hours, do not constitute an emergency. Do not schedule work, internships or classes during the COMM 4511 class. You are expected to be in attendance and available during regular class time.

Students will be expected to be prepared to work and will be expected to work diligently throughout the course’s duration. Students should be prepared to present their work at any time. All project resources will be delivered online via Carmen/Canvas. Therefore, it is required that you have access to the Internet and a working OSU e-mail address.

## Faculty feedback and response time

I am providing the following list to give you an idea of my intended availability throughout the course. (Remember that you can call **614-688-HELP** at any time if you have a technical problem.)

### Grading and feedback

For large weekly assignments, you can generally expect feedback within **7-10 days**.

### E-mail

I will reply to e-mails within **24 hours on school days**.

### Discussion board

I will check and reply to messages in the discussion boards every **24 hours on school days**.

## Course technology

### Computer, software and computer labs

Since this is a 100% online course, students will need constant access to a computer (PC or Mac) with access to the internet to connect to Carmen, email communication, uploading homework and projects. The computer needs to be able to run Adobe Xd and Proctorio (for exams).

You will be able to acquire Adobe Xd free of charge via your OSU account for the semester. More information on this process is on Carmen – Module: Week one

### The Digital Union has four lab options with Adobe Creative Suite

(<http://odee.osu.edu/digital-union>). Note: Digital Union labs are currently closed. New hours for the Autumn semester will be posted soon. Due to Covid-19 hours might be limited.

Students are responsible for backing up all their digital class work (homework and projects). OSU provides students with cloud storage using Buckeye Box <https://box.osu.edu/> Other forms or digital backup can include other cloud services or an external hard drive.

For help with your password, university e-mail, Carmen, or any other technology issues, questions, or requests, contact the OSU IT Service Desk. Standard support hours are available at <https://ocio.osu.edu/help/hours>, and support for urgent issues is available 24x7.

- **Carmen:**

- Carmen, Ohio State's Learning Management System, will be used to host materials and activities throughout this course. To access Carmen, visit [Carmen.osu.edu](https://carmen.osu.edu). Log in to Carmen using your name.# and password. If you have not setup a name.# and password, visit [my.osu.edu](https://my.osu.edu).

- **Carmen Zoom:**

- Office hours will be held through Ohio State's conferencing platform, Carmen Zoom. A separate guide to accessing Carmen Zoom and our office hours is posted on the course Carmen page under Files.
- Students may use the audio and video functions if a webcam and microphone are available. If not, there is still a chat function within Carmen Zoom for the student to live chat with the professor or TA in the virtual office hours room.

- **Proctorio:**

- Proctorio, an online proctoring tool, will be used during this course for quizzes, midterm exam and final exam. Proctorio offers you flexibility to take your exams at the time and in the location of your choosing. Students are required to have a webcam (USB or internal) with a microphone and a strong and stable internet connection. During the

course of an exam, Proctorio will record the testing environment, therefore students should select private spaces for the exam session where disruptions are unlikely and where recording devices can be enabled. Instructions for Proctorio use will be provided. To use Proctorio you **must be over 18 years of age**. Additionally, the tool has **limitations in its accessibility for students reliant upon screen readers and keyboard navigation**. If you have concerns about using an online proctoring tool for the reasons listed above or in general, please work with your instructor to find an equivalent alternative. Additional information on academic integrity at Ohio State and recommended proctoring options are available.

- Proctorio offers free [24/7 student support](#) through web chat or email.

## Baseline technical skills necessary for online courses

- Basic computer and web-browsing skills
- Visual Design Principles (pre-req Comm 2511)
- Navigating Carmen

## Necessary equipment

- Computer: current Mac (OS X) or PC (Windows 7+) with high-speed internet connection
- Web cam and microphone
- Computer needs to be able to run Adobe Xd [See Adobe Xd minimum requirements](#)
- Computer needs to be able to run Proctorio [24/7 student support](#)

## Necessary software

- Adobe Xd is the main software for the class. OSU students have access to Adobe software produces free of charge.
- Word processor with the ability to save files under .doc, .docx, .rtf, or .pdf. Most popular word processing software programs including Microsoft Word and Mac Pages have these abilities.

- OSU students have access to Microsoft Office products free of charge. To install, please visit [https://osuitsm.service-now.com/selfservice/kb\\_view.do?sysparm\\_article=kb04733](https://osuitsm.service-now.com/selfservice/kb_view.do?sysparm_article=kb04733)

## Other course policies

### Student Academic Services

Arts and Sciences Advising and Academic Services' website provides support for student academic success. Information on advising issues such as tutoring, transfer credits, academic standing, and contact information for Arts and Sciences advisors can be obtained through this website. The site is: <http://advising.osu.edu/welcome.shtml>

### Student Services

The Student Service Center assists with financial aid matters, tuition and fee payments. Please see their site at: <http://ssc.osu.edu>

### Copyright Disclaimer

The materials used in connection with this course may be subject to copyright protection and are only for the use of students officially enrolled in the course for the educational purposes associated with the course. Copyright law must be considered before copying, retaining, or disseminating materials outside of the course.

### Diversity

The School of Communication at The Ohio State University embraces and maintains an environment that respects diverse traditions, heritages, experiences, and people. Our commitment to diversity moves beyond mere tolerance to recognizing, understanding, and welcoming the contributions of diverse groups and the value group members possess as individuals. In our School, the faculty, students, and staff are dedicated to building a tradition of diversity with principles of equal opportunity, personal respect, and the intellectual interests of those who comprise diverse cultures.

### Title IX

Title IX makes it clear that violence and harassment based on sex and gender are Civil Rights offenses subject to the same kinds of accountability and the same kinds of support applied to offenses against other protected categories (e.g., race). If you or someone you know has been sexually harassed or assaulted, you may find the appropriate resources at <http://titleix.osu.edu> or by contacting the Ohio State Title IX Coordinator, Kellie Brennan, at [titleix@osu.edu](mailto:titleix@osu.edu)

## Mental Health Statement

As a student you may experience a range of issues that can cause barriers to learning, such as strained relationships, increased anxiety, alcohol/drug problems, feeling down, difficulty concentrating and/or lack of motivation. These mental health concerns or stressful events may lead to diminished academic performance or reduce a student's ability to participate in daily activities. The Ohio State University offers services to assist you with addressing these and other concerns you may be experiencing.

If you are or someone you know is suffering from any of the aforementioned conditions, you can learn more about the broad range of confidential mental health services available on campus via the Office of Student Life's Counseling and Consultation Service (CCS) by visiting [ccs.osu.edu](https://ccs.osu.edu) or calling 614--292--5766. CCS is located on the 4th Floor of the Younkin Success Center and 10th Floor of Lincoln Tower. You can reach an on-call counselor when CCS is closed at 614-292-5766.

If you are thinking of harming yourself or need a safe, non-judgmental place to talk, or if you are worried about someone else and need advice about what to do, 24 hour emergency help is also available through the Suicide Prevention Hotline (Columbus: 614-221-5445 / National: 800-273-8255); or text (4hope to 741741); or at [suicidepreventionlifeline.org](https://suicidepreventionlifeline.org)

## COVID-19 and Illness Policies

### University COVID policies

*"Health and safety requirements: All students, faculty and staff are required to comply with and stay up to date on all university safety and health guidance (<https://safeandhealthy.osu.edu>), which includes wearing a face mask in any indoor space and maintaining a safe physical distance at all times. Non-compliance will result in a warning first, and disciplinary actions will be taken for repeated offenses."*

### Student illness or absence

If *you* are too ill to participate in this course due to COVID-19 or another illness, please contact the instructor as soon as you are able. All materials will be made available on Carmen, including lecture recordings and slides. Alternate assignments or extensions may be arranged.

### Instructor illness or absence

If the *instructor* is too ill to teach the course for a period of time, the designated backup for this course will step in. You will be notified via email from the School of Communication.

## Academic integrity policy

### Policies for this online course

- **Written assignments:** Your written assignments, including discussion posts, should be your own original work. In formal assignments, you should follow **APA** style to cite the ideas and words of your research sources. You are encouraged to ask a trusted person to proofread your assignments before you turn them in--but no one else should revise or rewrite your work.
- **Reusing past work:** In general, you are prohibited in university courses from turning in work from a past class to your current class, even if you modify it. If you want to build on past research or revisit a topic you've explored in previous courses, please discuss the situation with me.
- **Falsifying research or results:** All research you will conduct in this course is intended to be a learning experience; you should never feel tempted to make your results or your library research look more successful than it was.

## Academic Misconduct

It is the responsibility of the Committee on Academic Misconduct to investigate or establish procedures for the investigation of all reported cases of student academic misconduct. The term "academic misconduct" includes all forms of student academic misconduct wherever committed; illustrated by, but not limited to, cases of plagiarism and dishonest practices in connection with examinations. Instructors shall report all instances of alleged academic misconduct to the committee (Faculty Rule 3335-5-487). For additional information, see the Code of Student Conduct ([http://studentaffairs.osu.edu/info\\_for\\_students/csc.asp](http://studentaffairs.osu.edu/info_for_students/csc.asp)).

## Accessibility accommodations for students with disabilities

Requesting accommodations

**Students with disabilities (including mental health, chronic or temporary medical conditions) that have been certified by the Office of Student Life Disability Services will be appropriately accommodated and should inform the instructor as soon as possible of their needs.**

**The Office of Student Life Disability Services is located in 098 Baker Hall, 113 W. 12th Avenue; telephone 614-292-3307, [slds@osu.edu](mailto:slds@osu.edu); [slds.osu.edu](http://slds.osu.edu).**

## Accessibility of course technology

This online course requires use of CarmenCanvas (Ohio State's learning management system) and other online communication and multimedia tools. If you need additional services to use these technologies, please request accommodations with your instructor.
