THE OHIO STATE UNIVERSITY

COLLEGE OF ARTS AND SCIENCES

SCHOOL OF COMMUNICATION

Bachelor of Arts COMMUNICATION

(general plan for any specialization)

All programs in the College of Arts and Sciences require a minimum of 121 semester hours, including a minimum of 39 hours at the 3000 level or higher. The complete General Education curriculum and degree requirement list is available at: <https://artsandsciences.osu.edu/academics/current-students/advising/ge>

Students interested in majoring in Communication are required to apply for admission to their major and specialization after completion of pre-major coursework. Pre-major requirements (Communication 1100 and 1101) must be completed with a C- or better for a Major & Specialization Application to be considered. The competitive admissions process is based on cumulative grade point average, pre-major course completion, and enrollment capacity. See <http://comm.osu.edu/undergraduate/pre-major> for additional details.

NOTE: School of Communication Direct Admit program students are required to submit a Major & Specialization Application once the pre-major requirements are fulfilled. All applicants are reviewed for their specialization based on the competitive admissions process as listed above.

Through the major admissions process, students are required to select and apply for a specific Communication specialization. The curriculum of the different specializations varies. See <http://comm.osu.edu/undergraduate/communication> for information about each specialization.

Electives could be used to complete a minor.

*Communication 1101 is a GE Social Science: Individuals and Groups course.

**Communication 1100 counts as a GE Open Options course.

***This Social Science GE course must be from the Organizations and Politics or Human, Natural, and Economics Resources List.

€Math 1148 meets the GE Math and Logical Analysis requirement and requires Math Placement Score N. Students with other math placement scores will need to take different math classes. Students should speak with an advisor before selecting a math course.

‡Stats 1350 is a pre-req for the Research Methods requirements on the major and counts as a GE Data Analysis.

•Course selected for this requirement is recommended to cross-count with GE Social Diversity in the US. In the GE packet, Social Diversity in the US courses are marked with a dot symbol. Students who do not cross-count the Social Diversity in the US requirement with another GE courses will still be required to complete this requirement. Students are required to complete a minimum of 3 hours of Social Diversity in the US courses.

ΔCourses selected for this requirement are recommended to cross-count with GE Global Studies. In the GE packet, Global Studies courses are marked with a triangle symbol. Students who do not cross-count the Global Studies requirement with other GE courses will still be required to complete this requirement. Students are required to complete a minimum of 6 hours of Global Studies courses.

Plan may vary depending on course offerings, placement test scores, any credit previously earned, individual student scheduling, major specialization selected, and admission to major. Students are encouraged to meet with their advisor at least once per semester to discuss scheduling and ensure they are on the track they hope to be on for completing their degree.
